

APPENDIX B (con't)
(see Article III - E on page 6)

NYSPHSAA WIND CHILL PROCEDURES

Administration of Wind Chill Procedures:

- Wind Chill will be checked 1 hour before the contest/practice by a certified athletic trainer, athletic director, or school designee when the air temperature is 39 degrees (Fahrenheit) or lower.
- The athletic trainer, athletic director, or school designee will use the accuweather.com website to determine the heat index for the area of the contest/practice. The accuweather.com website can be reached through the NYSPHSAA website. Once a person is on the accuweather.com website, they will put in the zip code for the location of the contest/practice and the website will give them the air temperature as well as the RealFeel temperature (wind chill).
- If the RealFeel temperature (wind chill) is 10 degrees or below, the athletic trainer, athletic director, or school designee must re- check the RealFeel (wind chill) at halftime or midway point of the contest. If the RealFeel (wind chill) temperature is - 11 degrees (Fahrenheit) or lower, the contest will be suspended.
